ABOUT FAMILYWIZE: HOW IT'S FUNDED

The savings on the cost of the medicine is provided by the pharmacies. They have agreed to accept prices for medications that are close to the prices they make available to large insurance companies and employers. All other program costs are provided by in-kind donations from the program sponsors and by part of the processing fee included in the cost of the medicine. For more information, please visit www.FamilyWize.org.

ABOUT UNITED WAY: ADVANCING THE COMMON GOOD
