

The Marsh Society: 2010 Leaders in Giving

Each year, The Marsh Society members give so that others won't be forgotten. You are the reason for another successful campaign to advance the common good. One of the qualities of leadership is having a sense of purpose that directs a person to use his or her strengths to help others. Leadership Giving offers the opportunity to be a part of something so much greater than any of us can achieve alone.

"If your actions inspire others to dream more, learn more, do more and become more, you are a Leader." ~ John Quincy Adams
