

## Marshfield Area United Way

### What did you change today?

What impact do you make when you contribute to United Way? You can see the positive changes your dollars make through the smallest changes ... a full pantry when before a family went hungry, a smile from a child who previously didn't have confidence, a warm home for the winter or a place for your loved one to go to interact with others, so you can run errands.

These changes are sustained through Vision Councils, Partner Programs, volunteers, grants and the fundraising campaign.

The Families & Seniors Vision Council is working with community

leaders to fill the gaps of three of our communities most critical emerging needs: dental care for people with low income, financial stability and transportation.

While the answers for these needs aren't right at hand, you can trust that United Way and volunteers will work to make progress—improving lives right here in the Marshfield area.

You can lend a hand: volunteer with a Partner Program, attend Vision Councils or join the Community Impact Committee. Call 384-9992 or e-mail [unitedway@tznet.com](mailto:unitedway@tznet.com) for more information.

### Make an impact by giving to United Way; Strengthening the community takes all of us

Acting as Marshfield Area United Way drive chair is something we have thought about doing during our banking careers.

This opportunity allows us to encourage others to experience the wonderful feeling of helping children, adults, seniors and the community through United Way.

United Way brings value to a community by strengthening it long-term through preventative measures with youth, helping families get a good start and taking care of our elderly.

Volunteers take the business of investing community

dollars very, very seriously. They realize they are entrusted with this task and do pay attention to every detail.

When you give to United Way, you can trust that your money will go to the people who need it most. You may not know who you're helping, but it's such a neat feeling to know you've made an impact in another person's life.

Thank you for your past generosity and your great spirit of volunteerism. Your contribution

**2007 Drive Chairs  
John Baur and Kathy Rhyner**

and time truly make a difference in the daily work of programs—building a strong Marshfield area for years to come.

Please get involved in our campaign. Lend a hand: volunteer or make a contribution. It takes each of us caring for one another to make a difference.

### Give or Get Help: United Way programs at work for you everyday

**Marshfield Area  
Volunteer Center**

Are you looking for a new project to fill your afternoons? Do you want to get more involved in your community?

The Volunteer

Center can help! It matches your skills and interests to open opportunities. It can be a one-time event or ongoing project. Just call 384-9992.

Do you need information about home weatherization, but don't know where to find it? Are you helping family members in their time of need? Don't know where to turn? Find answers to all of these problems

## Impact future generations with a planned gift to United Way

Future generations are impacted by our actions today, just as we have benefited by decisions made by those who have gone before us. One way to impact those you care about and your community is to make a planned gift to United Way's Legacy Circle.

Planned giving is a way to support your favorite non-profit organizations as well as make lasting change where you live. A planned gift can be implemented during your lifetime, or as part of your estate.

Anyone, regardless of income level, can make a tremendous impact through a planned gift to United Way.

It is a relatively simple process and there are many resources and people who can help you decide what

option is the right one for you.

It's important to discuss your plans with your professional advisors, such as your attorney, accountant, trust officer or financial advisor to make sure your charitable intent is carried out in the best manner for you, your beneficiaries and the non-profit organization.

Benefits to the donor in making a planned gift:

- Reduce income tax.
- Reduce or eliminate estate taxes on property in your estate.
- Reduce or eliminate built in capital-gains tax on appreciated property, such as stock or real estate that you have owned for more than one year.

The long-term goal for the Legacy Circle is to accumulate enough funds to allow all operational expenses

### Ways you can make a difference:

- Name Marshfield Area United Way as the beneficiary of an insurance policy, IRA or pension plan.
- Honor a deceased loved one with a memorial gift.
- Leave a charitable gift in your will.
- Leave gifts of assets such as stocks, bonds and CDs.

of Marshfield Area United Way to be paid from the earnings on those assets. Every gift makes an impact.

To learn more about The Legacy Circle and how to set up your planned gift, contact your professional advisor or contact us at 384-9992 or e-mail [unitedway@tznet.com](mailto:unitedway@tznet.com).

## Going once ... going twice ... going online! Online bidding opens November 1

We're introducing a whole new way to show support for your community. Pack away the gavel and boot up your computer, United Way is holding an online auction.

The auction will run from November 1 through November 26. An unlimited number of guests can virtually "attend" the

auction—from the comfort of their own home. Any one can participate by visiting [marshfieldareaunitedway.org](http://marshfieldareaunitedway.org), clicking on Campaign HQ and the Online Auction link.

Thanks to the generosity of donors such as John Baur and Kathy Rhyner, the Green Bay Packers, Shoppes at Wood Ridge and UW-Marshfield/Wood County Continuing Education, we

are assembling an exciting catalog of auction items to get people bidding.

Bid on unique items like an Aaron Rodgers autographed helmet, Continuing Education class and a 2008 NASCAR Phoenix Open race package. Money raised by the auction will go toward the 2007 campaign.

Invest in our community's future. Remember Marshfield Area United Way in your will or trust.
