

FREE ways to enhance your campaign & create Year Round Support

Year Round Opportunities

Why should you offer employees opportunities to learn about United Way when it's not campaign time? To show the results of your employees' contributions and allow us to say Thank You on behalf of the thousands of people they've helped through their generosity. Below are several options for you to help your employees learn about their community and services available if they should ever need them.

GoodSearch for United Way: Donate every time you hit search! Powered by Yahoo!

Visit www.goodsearch.com. Where it says "I'm supporting..." Type United Way and click Verify.

Scroll down and select **United Way—Marshfield Area**. Now Search and donate to United Way for free!

Download the **toolbar**, set www.goodsearch.com as your **home page** or add to your **favorites on all your company computers**. *(In 2007, Marshfield Area United Way raised \$83.18, so far in July 2008 we've raised \$31.50.)*

Please check as many of the following opportunities you would like:
