

WHAT DOES UNITED WAY DO?

When needs arise, United Way is awesome at bringing people together and mobilizing resources to make great things happen. Here's how:

UNITED WAY ORGANIZES AND CONNECTS...

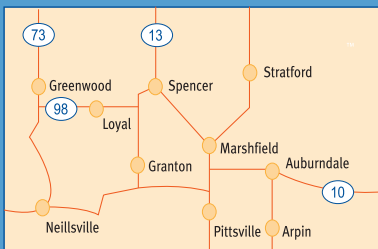

AND MOBILIZES THE RESOURCES INTO SERVICES

United Way does this throughout our area every day to make our community stronger and a better place for us all to live.

HOW YOU CAN HELP:

DIG IN YOUR POCKETS—United Way works because we receive donations both big and small...so give what you can.

With your generosity last year, more than 13,000 people in our area received services through United Way. Please help us continue to make our community stronger. Give through your company's workplace campaign, make a secure donation online, mail in or drop off your donation to the United Way office.

TELL YOUR FRIENDS—Share the great work that United Way does...and how proud you are to be part of it!

Follow along on our Facebook page (@MarshfieldAreaUnitedWay), Twitter page (@MAUW01), and/or get our monthly e-newsletter (email unitedway@tznet.com to sign-up) and share our stories with your friends. Even better share your experiences with United Way. Know someone who could use a little help? Have them call 2-1-1 for resources and referrals.

ROLL UP YOUR SLEEVES AND VOLUNTEER IN OUR COMMUNITY.

Visit volunteermarshfield.org to find the perfect volunteer opportunity for you today!
