

VOLUNTEERS

United Way would not be able to accomplish all the things that we do throughout the year without the generosity and dedication of the hundreds of volunteers that help in many different capacities all year long. From campaign volunteers and employee campaign coordinators to board and committee members, to the countless volunteers who help with events (such as the annual backpack & school supply drive and food packing for the NOW program)... thank you, sincerely, for all that you do to make Marshfield a better place for all of us to live!
