

# WORKPLACE CONTRIBUTIONS

**LIVE UNITED**

*Marshfield Area United Way partners with area businesses, government, non-profit organizations and schools to conduct employee campaigns in the workplace. In addition to offering employees an easy, convenient way to support local programs, a United Way campaign is also a great way to help employees learn more about services and programs that are available to them, their families and friends.*

***Thank you to the following businesses and organizations that made a corporate contribution and/or held a workplace campaign in 2015.***
