LETTER FROM THE PRESIDENT

It was my honor and privilege to serve as Board President of Marshfield Area United Way. During my time as President, we were faced with a once-in-a-generation challenge, and everyone stepped up! On behalf of the United Way Board of Directors, I commend our donors, volunteers, amazing United Way staff and our entire community for stepping up in unprecedented ways. I am proud of our response-what we did, how we did it, and how we continue to recover and rebuild our community, we proved what it means to LIVE UNITED. We are fortunate to live and work in such a caring community. My hope is that this spirit of compassion and giving continues. Thank you for your continued support of United Way.

Amber Voelker
2020 United Way Board President

OUR LOCAL IMPACT

Marshfield Area United Way, along with our funded partners, join together to provide every child, family, and individual access and tools to a better life.

EDUCATION

Provided **2144** books through our partnered Reach Out and Read program which supports **early childhood literacy** and early childhood education.

Supported programs that successfully obtained or sustained **student academic success** for **980** students.

119 parents participated in **parental support or skill enhancement** programs.

200 children benefited by having a **tutor, reader, or mentor** in their life.

FINANCIAL STABILITY

Provided services, goods and **income supports** (such as food and housing assistance) for at least **2656** individuals in our service area.

506 low-to-moderate income individuals received free **tax preparation assistance**.

HEALTH

Provided services and supports that kept **586** individuals **safe from domestic violence**.

Provided **services that maintained or increased the health and well-being** (such as counseling and mental health services) for **524** individuals.

2-1-1 call center responded to **1605** calls looking for resources in the Marshfield area.

2020 HIGHLIGHTS

Many events were cancelled, not just locally, but globally. Fortunately, we were able to safely host our **LIVE UNITED 365 Golf Outing**. With a record year of 36 teams, we were able to profit nearly \$7,000.

With one indoor event cancelled in the fall, Duelling Pianos, we wanted to come up with a way to raise event revenue while support local businesses. Therefore, we held our first **Shop Local Holiday Raffle**.

Most importantly, our annual campaign made it's way into the Top 10, with a total of \$862,694 raised. Our community did a great job stepping up during a time of need, especially during the pandemic... Our drive chairs, the Dargenio Family, chose "Now More Than Ever" as their campaign slogan. And it showed through...

COVID-19 PANDEMIC

GRANT FUNDS AWARDED: \$44,198

Marshfield Area United Way and Marshfield Area Community Foundation joined together to create the Marshfield Area Covid-19 Relief Fund to support programs who provide direct assistance to individuals and families impacted by the pandemic. Thank you to all who generously donated. These grants would not be possible without your support.
