

Thank you for your interest in supporting Marshfield Area United Way's Nutrition On Weekends program!

Since its inception in the fall of 2013, the Nutrition On Weekends (NOW) program has witnessed remarkable growth, reaching out to hundreds of children facing food insecurities in their homes. So for in the 2023-24 academic year, our program is proud to announce that we are currently supporting over 500 children, a testament to the increasing impact of our mission.

The NOW program remains dedicated to providing essential supplemental food packs for children to take home over the weekend throughout the school year. Last year alone, the program served children in the Marshfield, Auburndale, Granton, Greenwood, Loyal, Pittsville, Spencer, and Stratford School Districts, including the Marshfield location of the Wood County Head Start program.
