LETTER FROM THE PRESIDENT

They say all good things must come to an end, and so it is with my year of service as the Board President for the Marshfield Area United Way and what a year it was.

So many things I will be forever thankful for. First, I am honored to have been offered the opportunity, and to work together with so many talented and caring individuals who all carried the same vision "helping others." This past year we were uncertain if we would meet our goals. There were obstacles that may have been too big to move. So many needs in our community and changes in the economic outlook and workforce, it was not as uplifting as it should have been.

I witnessed our wonderful community "step up" and provide from young to old, to keep our programs running, pantry shelves full, backpacks distributed and food for our children obtained. The passion of hearts for those in need is sometimes nothing short of a miracle. I firmly and wholeheartedly believe in the mission of Marshfield Area United Way. We help those who need help, sounds simple, but it takes a team, and it takes all boots on the ground to do it.

Our Marshfield Area United Way Staff is beyond a team, they are truly a blessing to our community. Each hand works with the other to create a perfect circle of dedication, communication and love for their community. I hope that anyone who is reading this message will consider the need for community awareness and make that call to the Marshfield Area United Way. See where you can help, volunteer, donate or just be present to do those things you can. My journey as President has truly been remarkable and I enjoyed every minute.

Together we can make a difference.

UNITED WAY PROGRAMS AND INITIATIVES

COMMUNITY BABY SHOWER

The Community Baby Shower is a collaborative community effort to help families who struggle to afford diapers and other baby essentials. We work with local organizations to host collection boxes for diapers, wipes, and baby & toddler hygiene products. These supplies are distributed to local agencies, ensuring they reach families in need.

MAKE A DIFFERENCE DAY

Make a Difference Day is dedicated to helping our senior and disabled community members who are living in their homes but need some help with raking leaves in the fall.

NOW PROGRAM

The Nutrition On Weekends (NOW) program is a collaborative, community effort targeting childhood hunger. The program provides healthy, ready-to-eat nutritious foods for children during the weekend.

RIGHT 2 PLAY 4 ALL

Right 2 Play 4 All is a program committed to promoting a healthy, active lifestyle for children in the Marshfield Area through the power of sports and other extra-curricular activities.

SUPPLIES 4 SUCCESS

The Supplies 4 Success backpack and school supply drive helps ensure all children are able to have their best start to be ready to learn and be successful in the upcoming school year.

UNITED WAY'S 211

United Way's 2-1-1 is a partnership of Marshfield Area United Way and United Way of South Wood and Adams Counties. It's a source of information and referral for people looking for community services and resources, especially for those who need essential services, such as food, shelter, counseling, employment assistance, and more.

UNITED WE CAN

The United We Can sculpture competition combines creativity and community spirit. Businesses and organizations create sculptures from canned goods, which are then donated to local food pantries.

UNITED FOR COMMUNITY WELLNESS

United for Community Wellness (U4CW) is a collaborative, community effort working to address and bring awareness to community-wide health and wellbeing concerns.

VOLUNTEER RECEPTION CENTER

Volunteer Reception Centers (VRC) are a critical component to managing spontaneous volunteer workforce in emergency response and recovery.

WE BELONG BOOKS LITTLE FREE LIBRARY

We Belong Books fosters inclusivity with diverse children's books that celebrate differences. Our mission is to help all children see themselves in stories, explore various perspectives, and promote community understanding and acceptance.

Impact Story

Little Brother Shane and Big Brother Shane recently celebrated a significant milestone: five years since their heartwarming journey began. Their extraordinary bond was formed when Little Shane was just 13 years old, culminating in his high school graduation this past May. Reflecting on this pivotal moment, Shane attests that their enduring partnership served as a wellspring of motivation throughout his high school years, equipping him with invaluable life skills. Shane's mother also acknowledges the profound and positive influence that Big Brother Shane has had on her son. Together, they've shared unforgettable memories and forged an unbreakable friendship. Although the formal mentoring relationship concluded as Little Brother turned 18, both are resolute in maintaining their enduring friendship, underscoring that their bond will remain steadfast for years to come.

Impact Story

Soup Or Socks had a regular client at the pantry that relies on their resources to feed her family of four. She emphasizes the impact of this support: "It's the difference between my kids having enough to eat. Without SOS, they would be going hungry because we're just above the income limit for assistance programs. We truly cannot thank SOS and the volunteers enough."

Another client, who faces work challenges due to a disability, also depends on the pantry: "It has been essential for food and hygiene. It gives me hope. Everyone is so kind and welcoming here. I am so happy that Soup Or Socks is in our community." These stories highlight just a few of the community members who rely on the pantry's critical role in providing hope and essential resources to families in need.

Impact Story

Marshfield Area Respite Care Center recently received a referral from a caseworker regarding a participant who recently lost their spouse. The participant, who has been dealing with memory impairment and loneliness, has started attending the community center full time. Despite the difficulties, the participant has been positively impacting others by bringing laughter to participants, staff, and volunteers. Enjoying activities like exercise, music, and puzzles, the participant expressed gratitude to the staff before leaving, stating, "I want to thank you in advance." The social program at the community center has provided the participant with the opportunity to make new friends and share his gift of humor.
